at Narbonne High School

The three senior classes at Narbonne have chosen their officers for the new semester. Julia Hunt and Homer Townsend are the new senior P's.

The complete list of officers is as follows: Miss Hutch's A12 roll call: Julia Hunt, president; Veida Haller, vice president; Moto Tawa, secretary; Nell Whitney, treasurer.

Miss Chadwick's A12 roll call: Homer Townsend, president; Erna Tucker, vice president; Melba Shamer, secretary; Deane McMillin, treasurer. Miss Stiff's B12 roll call: Merrill Pankey, president; Norman Robinson, vice president; Geneva Straub, secretary; Joyce Bunge, treasurer.

Dwight Eubank, senior A, was elected editor-in-chief of the Narbonne school paper, the Green and Gold. Dwight, who succeeds Robert Stock as editor, is also student body president, manager of the student store, and a member of the yearbook staff. He is in his second semester of journalism.

Helen Hall was chosen assistant editor. She is also editor of the yearbook. Other positions on the staff are filled by Joe Wales, as business manager; Shirley Reeves, circulation manager; Carl Starkey, sports editor; Alfred Thorsen, humor editor; and Mary Tarico, club editor.

All of these students, with the exception of the business manager, are taking advanced journalism. The 14 new members of the class will act as reporters for the Green and Gold and the local papers.

The Future Farmers of America Club at Narbonne are busy with plans for the new semester. They will sponsor a flower show, to be held the early part of June. As in past years, townspeople are invited to enter floral exhibits and are urged by Mr. Fuller to start growing their flowers now. Gladiolus are the favored flowers each year at the exhibit. As is customary, rewards will be given for the best blooms in various classes.

The F. F. A. officers of last semester proved so satisfactory that the boys decided to keep them in office the rest of the year. They are Jimmy Murphy, president; Wallace Mayer, vice president; and Clark Walker, secretary.

"Light Meter Service" Free

(An extra accommodation to you)

A new, scientific instrument known as the "Foot Candle Meter"—a device for accurate measurement of light intensity on your counter or merchandise, has been added to our service equipment. This instrument does away with the necessity of guess work on your lighting problems.

We will gladly check your present equipment for you or will install new lighting fixtures or arrangements that are theoretically perfect—both in distribution and intensity.

Let us call and explain more fully the advantages of a perfect lighting system.

CHURCHES OF CHRIST, SCIENTIST
"Mind" is the subject of the Lesson-Sermon on Sunday in all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The Golden Text is from Peter's first epistle: "Be ye all of one mind, having compassion one of another, love as brethren, be pitiful, be courteous."

Among the Bible selections in the Lesson-Sermon are the verses from Paul's epistle to the Romans: "O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out! For who hath known the mind of the Lord? or who hath been his counsellor? or who hath first given to him, and it shall be recompensed unto him again? For of him, and through him, and to him, are all things: to whom be glory for ever."

A correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states, "If Mind was first chronologically, is first potentially, and must be first eternally, then give to Mind the glory, honor, dominion, and power everlastingly due its holy name."

Keeping Up With Torrance High

The plan of practical vocational training which was begun this semester has proved successful thus far. Business and professional men have willingly cooperated to give pupils an hour of work every day. Forty-three students and post-graduates have applied for a place and 16 have been placed. These 16 were interviewed and they all stated that they have found the work valuable and interesting.

The editors for the Torrance News Torch have been selected. Jayne Traller has been chosen as editor because of her excellent work last semester as editor for the Torrance Herald high school news column. Jayne is a junior, and she placed second in the senior English examination. Joy Fossum is the managing editor. She is a very capable senior, vice president of the student body and president of the Scholarship Society. She has had a semester's experience in journalism. It will be her responsibility to edit the News Torch for the paper is in on time. The other members of the staff are being selected by Jayne and Joy.

The Student News is a daily paper which is posted in all home-rooms and in the halls. Dorothy Jensen has been selected as editor of this paper. She has had a semester's experience in journalism and will be very capable as editor.

Margaret Floyd has been chosen as manager of the student store this semester. She has worked in the store for three semesters and will make a competent manager.

A very interesting demonstration of television was given for the students, February 17, by Mr. Leischman. He explained and demonstrated the theory on which television is based. He said he believed television would soon be extensively used in connection with the radio.

The students were entertained Friday in an Aud call by a dramatic reading of Washington Irving's "Rip Van Winkle" given by Mr. Greenleaf. Mr. Greenleaf has traveled to many schools giving this reading; Friday marked the 2133rd time before an audience.

The G. A. A. meeting was an eventful day for many girls. The new president, Margaret Kibbe, opened the meeting. Pins were ordered for the new members, a past president pin will be given each of the presidents as they go out of office, an initiation will be given the new members, and the requirements to enter G. A. A. have been raised. It will now take 100 points to enter instead of 50, and 50 a year to stay in.

A new club has been organized at Torrance high. It is called the Camera Club and Mr. Wright is the sponsor. They plan to take pictures for the annual. They are also planning to have two snapshots days soon when everyone can take snapshots for the annual.
